

March 24, 2024

It's tradition. Hundreds of thousands gather when a professional team wins their sport's championship. They gather for a parade, so that the crowds of adoring fans can hail their victorious team.

On Palm Sunday, the gospel writers tell us about a kind of victory paradeonly, in this case, the crowds were not celebrating a past victory but anticipating one to come.

Jesus was riding into Jerusalem, and the crowds were convinced that he was the Messiah, the anointed Son of David who would redeem the people of Israel and set them free from their enemies. In the minds of many of them that day, that enemy was the Roman Empire, and the redemption was casting off the Romans' iron rule and restoring the kingdom of Israel.

In not too many days, many in the crowd would be disappointed. Jesus' enemies among the Jewish leaders would arrest him, and those Romans he was supposed to conquer would put him to an ignominious death on a cross.

What went wrong? Were the crowds mistaken in identifying Jesus as the Messiah who would bring redemption? Not at all!

Centuries earlier, Zechariah, with a prophet's precision, pointed ahead to

Jesus entering Jerusalem on Palm Sunday, and he told the people to rejoice. Their king was coming to them! Yes, he would come to them in lowliness, riding not on a royal stallion but on a humble donkey-but all the same he would come to them as their king.

Yes, hidden in that humility was the truth that the victory belonged to Jesus. "See, your king comes to you, righteous and victorious." Hidden beneath the shame of the cross was the glory of good news. On the cross, Jesus defeated the devil, silenced sin's charges against us, and robbed death of its sting.

The mistake the crowd made was that they just weren't thinking big enough. Jesus wasn't there to free his people from a temporary, earthly enemy. He was there to free them from their sin so that he could rule over them in righteousness for eternity.

This Palm Sunday, join your voice to the shouts of joy. Your king has come, lowly and riding on a donkey, all so that you could live under him in his kingdom eternally!

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing... If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you. This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples. – John 15

We are *One Together* in ministry. Jesus is the Vine we are the branches and connected to him we will produce much! In fact, connected to Him all things are possible! This fall we will be asking you consider what your "branch" is in our ministry together. Connected to Jesus what gift do you have to use? Our *One Together* logo will help us identify your branch and your area of ministry to use your gift in. It is our prayer that together we discover that while we all have different gifts and abilities we are indeed *One Together* in Christ.

Look at the logo above. Think about what each symbol might mean and what area of ministry you can serve in! RUNNING TO REBUILD

Running to Rebuild

I think you probably all remember the ice storm that hit the Portland area this January. Thousands of people felt the effects of the ice and cold- being left without power, making homes cold, and for some even having their pipes burst leaving an enormous amount of damage behind.

Grace Lutheran School was not immune to the damage. During the storm, pipes burst inside their kindergarten and pre-school classrooms leaving the rooms completely unusable. Efforts have been ongoing to restore these classrooms, but the financial toll has been significant!

This April 19th, I (Pastor Bourman) am running in the Banana Slug Backyard Ultra. It's a crazy running event. Here's how it works! Every hour, on the hour, each runner will line up on the start line and run a 4.16 mile loop. (Why that number? So that every 24-hour period marks exactly 100 miles!) You are free to run whatever pace you like. If you run quickly, you have more time to rest. If you run slowly, you don't tire as quickly. The race has no finish line, and only ends when there is only one person left.

If you're interested in a video of how this race works, https://vimeo.com/823175441

I am asking you to support Grace Lutheran School by pledging a dollar amount for each loop that I run. For example if you pledge \$5 per loop and I run 5 loops, the donation is \$25 total. If you pledge \$10 per loop and I run 20 loops, the donation is \$200 total

Please do consider giving, whether it's a little or a lot! Each dollar will go directly to Grace Lutheran School's efforts to restore the classrooms of its youngest students!

GRACE SCHOOL RESTORATION & REPAIR PROGRESS

During this past winter storm our Preschool and Kindergarten classrooms were affected by a pipe burst, necessitating a temporary relocation to the gym and office area. Thank you to everyone who has been able to stop in and lend a hand. You have made a significant difference! We also had a very large tree fall on our property.

IN OUR CIRCUIT!

International Youth Rally

WELS International Youth Rally attendees come from huge churches in big cities and small churches in farming communities, from Alaska to Texas. And everywhere in between. No matter where you come FROM, when you come together at a youth rally, you're home! Home with your family of believers.

That's a big family! You get to say the Lord's Prayer and sing praises to our Savior with thousands of people. That WILL give you goosebumps.

A youth rally is designed for teens. Workshops hit timely teen topics. Performances and recreation are planned with teens in mind. There's time to discuss

issues, time to eat, time to play frisbee, and time to just chill!

Some have said that the youth rally changed their lives. I won't go as far as to say that it WILL DEFINITELY change yours or the lives of your church's teens. But it may: one may be motivated to pursue the ministry; another may meet a new lifelong friend; another may confide in a workshop leader about a struggle with temptation. Front and center at the youth rally is the gospel of Jesus Christ.

FROM THE DISTRICT

This past month...

ELHS Drama put on four musical

performances for several of our TELSS schools, ELHS students and staff, and

guests. We are blessed by the many talents of our students and the opportunity they have to share those gifts with others.

- Career Day this year had over 35+ volunteers and presenters ranging from artists to pilots, engineers, doctors/dentists, marketing, trucking and machinists, and many more. We are so grateful for all the people willing to support our students and offer their knowledge and connections to our Evergreen family.
- WLC representative Pastor Wayne Shevy came to Evergreen to talk about the opportunities their college has for our students and how they can use their gifts in their lives.
- ELHS Choir has been doing a lot of traveling recently. This past month they have sung at Calvary, Holy Trinity, Parkland (twice), Light of Life, and Faith.
- Accredited. Evergreen is an accredited school. Meaning we need to go through our recertification every 6 years. 2024 is our year for renewal and it is no small task, needing to provide evidence for over 206 standards. It is a great opportunity to have outside eyes look at our school and tell us where we are doing well and give us some things to continue to strive for into the future. We were given wonderful scores and feedback. Here are a few key points.
 - o Some of the high praises were...
 - ✓ Overall culture with students, faculty, and families.
 - ✓ The Board and administration for using every available source to evaluate the ministry for continued growth.
 - ✓ Financial management and planning for the future.
 - o Things to continue to work on...
 - ✓ Implementing some of the new synod evaluations for our staff.
 - ✓ Documenting our use of local pastors after times of crisis.
 - ✓ Finalize our curriculum plan and implement that plan. Curriculum planning is an ongoing process. The visiting team encouraged us to continue working on that plan and better document both short-term and long-term progress.
- ALHS Conference. Every year Kyle Raymond and I attend Area Lutheran High Schools (ALHS) Conference with our board chairman, Brandon Vukelich. That was this past week in Milwaukee, Wisconsin. This is a great opportunity to get together with the other Area Lutheran High Schools to discuss the challenges in our ministries and work together to serve our families the best we can.
- Winter Sports. Our winter sports season has ended. Wrapping up last weekend with our girls basketball team
 making it to the regional finals. Our spring sports season started on Feb. 26th with track and baseball. We would
 love to see you at some games and meets. Check either the app or our sports schedule on our website.

Website. On the topic of our website. We have a new one. Take a look at www.elhs.org.

Coming in March.

- ✓ March 7-9 Junior Eagle Classic grade school basketball tournament at Evergreen.
- \checkmark March 14-15 Teacher Conference at Christ the King in Bremerton.
- ✓ March 27th ELHS Easter Concert at 7 PM
- ✓ April 1-5 Spring Break
- ✓ April 13th ELHS Auction tickets available to purchase online!

We are so grateful for the ministry we have at Evergreen and the families we get to share the gospel with. It was such a blessing to have the accreditation committee come in with a fresh set of eyes and say good things are happening at Evergreen. It is exciting to be part of the growth of our teens and the growth of our school. Thank you to YOU, for being a huge part of our growth. Let me know if you would like to set up a meeting to discuss some of the things we are working on and how you can be part of it.

Thank you for all your support. We are all in this together. Thank you again for joining us in our mission. In Christ, Ryan Schmeling - Director of Mission Advancement

Called to serve WELS Christian Aid and Relief

WELS Christian Aid and Relief reflects Christ's love and compassion to those suffering as the result of disasters or other hardships as well as through humanitarian aid distributed through WELS' home and world missions.

Leaders from WELS Christian Aid and Relief traveled "It's a joy to know that these acts of kindness lead to many to a predominantly Hindu country in South Asia early in 2023 to see how humanitarian aid grant money is being used there. While there, Christian Aid and Relief leaders attended the following humanitarian aid events:

- Sewing schools: These schools provide women with a skill that enables them to set up a small business in their village and earn income to support their families. The women are given the foot-pump sewing machine on which they are trained.
- Free medical camps: These two-day medical camps serve about 500 people, offering basic dental, medical, and vision care.
- Education for young mothers: Infants and toddlers are weighed and given check-ups. Participants receive information about proper nutrition and basic food staples.
- Smokeless stove distribution: Many heat their homes and cook their meals over open fires inside their homes. The smoke causes respiratory illnesses and negatively impacts vision. At this event, one hundred smokeless, wood-burning steel stoves with chimneys were distributed, offering families a safer alternative

opportunities to share the reason for our hope in Christ says Daniel Sims, director of WELS Christian Aid and Relief WELS is working with 89 congregations and 7,000 Christians in this area of South Asia.

Domestically, WELS Christian Aid and Relief provides matching grants of up to \$2,500 to self-supporting WELS congregations once a year to carry out compassion ministry in their communities. In October 2023, WELS Christian Aid and Relief approved a Community Care and Compassion matching grant for Christ, Denver, Colo., to assist the congregation as it reaches out to Venezuelan

Only a month after receiving the grant, Paul Biedenbender, pastor at Christ, Denver, noted: "After a Bible study on baptism, six children were baptized (two others will be soon when the fathers have a day off of work). Combined with a similar event two weeks before, we have baptized 15 children. Warm clothing and coffee during the week keeps bringing people in who then also receive pastoral care."

The impoverished island nation of Haiti is experiencing increasing gang violence following political unrest. The Latin America mission team is in regular contact with Haitian Lutheran Pastor Rona Abraham, who is currently safe. He and his family reside in the northern part of the country, which has been less affected than the south. Many of WELS-affiliated Lutheran churches, schools, and orphanages—and our Christian

brothers and sisters who serve them—are in the south. WELS Christian Aid and Relief is exploring ways that WELS might be able to bring aid to those who are suffering. However, the current security situation makes this very difficult. WELS Christian Aid and Relief will continue to explore options and provide updates if it finds an opportunity to help. In the meantime, continue to keep the people of Haiti in your prayers.
